The NPI is the standard unique health identifier for health care providers and suppliers and is asigned by the National Plan and Provider Enumeration System (NPPES). To enroll in Medicare, you must obtain an NPI and furnish it on this application prior to enrolling in Medicare or when submitting a change to your existing Medicare enrollment Information. Applying for the NPI is a process separate from Medicare enrollment. To obtain an NPI, you may apply online at N<u>PPES.msh.hsgow</u>. For more information about NPI enumeration, visit <u>CMS.gov/Regulations-and-Guidance/Administrative-Simplification/NationalProvIdentStand</u>.

Note: The Name and Social Security Number (SSN) that you furnish in section 2A and, if applicable, the Legal Business Name (LBN) and Tax Identification Number (TIN) you furnish in section 4A must be the same Name, SSN, LBN and TIN you used to obtain your NPL Once this information is entered into PECOS from this application, your Name, SSN, LBN, TIN and NPI *must* match exactly in both PECOS and NPPES.
